A One-Year Journey into Orgasm

"There is something in you that feels beyond you, and seems to continually seek out that state. So much so, that you, an otherwise nice human being, becomes relentless in pursuit of it. Once you've had a taste of it, nothing else will do."

- Nicole Daedone

WELCOME TO

Membership

The OneTaste Membership Program is a year-long exclusive opportunity for those who are fearlessly committed to igniting their brilliance, innovation, and creative genius. Work directly with our executive-level coaches to create your individual journey and immerse into Nicole's work, resulting in rapid, transformational growth.

Members receive personal invitations to phenomenal adventures and retreats, designed to push your limits, build community, and take you to the next level of success. You will have a Membership Coordinator to assist you and ensure that you receive the level of personal care and attention that will serve your goals.

Commit to a program and a process that will unlock your genius in every area of life and provide you the skills and leadership to create it in the world.

JOIN A COMMUNITY

Of People Who Will Change Your Forever

You will join an exceptional community who have an uncommon passion for living an awakened, desire-based life. Each of our members bring unique talents, experience, and desires to their year of membership.

Spend time with your peers at our exclusive members' residence on The Land, a gorgeous nature reserve in Northern, California, and home to all of our highest level retreats and intensives. You can find out more about The Land at the-land.com/us.

Create new friendships, allies in your growth, and a traveling family who you will visit in your OneTaste courses on both coasts and abroad.
